**ORDER**

AND NOW, this 18th day of May, 2021, upon consideration of the afore-stated Stipulation, it is hereby,

ORDERED that Plaintiff, Elizabeth Sturgill, is awarded attorney fees under the EAJA in the amount of Five Thousand, Two Hundred dollars and 00/00 cents (\$5,200.00).<sup>1</sup> These attorney fees will be paid directly to Plaintiff, Elizabeth Sturgill, and sent to the business address of Plaintiff's counsel, Robert Savoy, Esquire. Full or partial remittance of the awarded attorney fees will be contingent upon a determination by the Government that Plaintiff owes no qualifying, pre-existing debt(s) to the Government. If such a debt(s) exists, the Government will reduce the awarded attorney fees in this Order to the extent necessary to satisfy such debt(s).

BY THE COURT:

<sup>1</sup> A review of the docket reveals an Attorney's fee application was made by Plaintiff on May 12, 2020 [Doc. No. 27]. Before the government filed a response, a stipulation approving the above outlined fee distribution was forwarded for docketing. [See attached]. This stipulation was not docketed or transferred to Chambers for review and approval until May 18, 2021. *Id.*

**STIPULATION**

IT IS HEREBY STIPULATED, by and between the parties through their undersigned counsel, and subject to the approval of the Court, that the previously filed EAJA petition is hereby resolved pursuant to the following terms.

Plaintiff shall be awarded Five Thousand, Two Hundred dollars and 00/00 cents (\$5,200.00) in attorney fees. This amount represents compensation for all legal services rendered on behalf of Plaintiff by counsel in connection with this civil action, in accordance with 28 U.S.C. § 2412(d).

The Court shall order that the awarded attorney fees be made payable to Plaintiff, Elizabeth Sturgill, and delivered to the business address of Plaintiff's counsel, Robert Savoy, Esquire.

After the Court approves the stipulated amount of attorney fees to Plaintiff, the Commissioner will determine whether Plaintiff has any outstanding federal debt to be offset from the attorney fees. If Plaintiff has no outstanding federal debt, the Commissioner will honor Plaintiff's assignment of attorney fees to counsel and make the check payable to Plaintiff's counsel. However, if Plaintiff has an outstanding federal debt, the Commissioner will make the

check payable to Plaintiff directly and deliver the check to the business address of Plaintiff's counsel. The amount of attorney fees payable to Plaintiff will be the balance of stipulated attorney fees remaining after subtracting the amount of Plaintiff's outstanding federal debt. If Plaintiff's outstanding federal debt exceeds the amount of attorney fees under the stipulation, the stipulated amount will be used to offset Plaintiff's federal debt and no attorney fees shall be paid.

This stipulation constitutes a compromise settlement of Plaintiff's request for attorney fees under the EAJA and does not constitute an admission of liability on the part of the Commissioner under the EAJA. Payment of the aforementioned attorney fees shall constitute a complete release from and bar to any and all claims Plaintiff may have relating to attorney fees under the EAJA in connection with this action.

This award is without prejudice to the rights of Plaintiff's counsel to seek Social Security Act attorney fees under 42 U.S.C. § 406, subject to the provisions of the EAJA.

Respectfully submitted,

Dated: 5/21/20

**CAUTION - EXTERNAL:**

Good Morning Nicole,

I wanted to reach out because Plaintiff's counsel has contacted us regarding the status of this EAJA Stipulation, which was originally sent to the general clerk mailbox in May 2020, with a follow-up in March 2021, but the order hasn't yet been docketed. Would you be able to route this to the appropriate person so that the judge can sign the order? Please let me know if this is a problem. Thank you!
